

Athlete Gear

COMING SOON! SPEEDO STORE!!!

At swim meets, we encourage each swimmer to compete in a team custom suit. They must race in a team cap.

Age Group swimmers do NOT need to race in expensive “elite level” suits that are worn at Senior level meets. Parents can save money and have their swimmers race in the team custom suit.

Team caps are \$3.00 for latex caps and \$10.00 for silicone caps. These may be purchased from your swimmer’s coach.

For practices, swimmers can wear any style swim suit approved by their coach. We recommend athletes save their team suit for racing only.
