

Cancellation Policy

Cancellation Policy/Prorated Dues requirements

If you decide to leave the program, for any reason, the team needs to be notified **and given a notice in writing before the 20th** of your last month with the team. Please fill out a stop swim form.

Upon joining the team, if you are entering mid-month, your dues will be pro-rated for that first billing cycle. If a swimmer leaves the team anytime during month, and swam with the team during that month, a refund of charges for the month will not be prorated or refunded.
