

Dues and Fees

- Monthly dues

Our team utilizes an automatic debit system through our Team Unify website. You will need to register a credit card, debit card, or checking account with our system. Your personal financial information is processed through a secure third party. We will not have access to your financial information. Our system will automatically bill your account at the beginning of each month.

Because our system is automated, it is important that you keep your most current personal and financial information updated in our system. If you move, change email addresses, or get a new credit card, please update this information in our system.

If you decide to leave the program, for any reason, the team needs to be notified **in writing by the 20th of the month** of your last month with the team. Please fill out a stop swim form. (Form can be found under the Policies and Procedures Tab)

Upon joining the team, if you are entering mid-month, your dues will be pro-rated for that first billing cycle.

- USA Swimming registration

In addition to our monthly dues, every swimmer must be registered with USA Swimming, our governing body. This is an annual fee that must be renewed every year. Your registration will be good from September 1st to December 31st of the following year.
