

Dues and Fees

Monthly Dues

Vacaville Swim Team utilizes an automatic debit system through our Team Unify platform. Families are required to register a credit card, debit card, or checking account within the system. All financial transactions are handled securely through a third-party provider; team staff does not have access to your financial information.

Accounts are automatically billed at the beginning of each month. To avoid billing issues, please keep your contact and payment information up to date. If you move, change your email address, or receive a new card, update your account immediately.

If you plan to leave the team, written notice must be submitted by the **20th of your final month**. A **Stop Swim Form** must be completed and is available under the **Policies and Procedures** tab on our website.

For swimmers joining mid-month, dues will be **pro-rated** for the first billing cycle.
