

Volunteer Information

The year-round swim team, the Vacaville Waves, depends heavily on volunteers to run the team successfully. A swim team simply cannot function without the support of our swim parents! We expect that each family will make every effort to support our team with their time, talents, and energy. As such, Waves families are required to meet the following commitments:

1. Minimum of 30 Volunteer Hours from August-July of each year. Adds up to 2.5 hours each month.
2. Work at a minimum of 1 of the 2 home meets
3. Timing at away meets your child is signed up for. These hours are included in the Minimum Volunteer Hours.
4. Find your replacement if you are unable to fulfill a position committed to.
