

There are **TWO** membership options for USA Swimming registration: Flex and Premier.

Flex membership is a new program promoted by USA Swimming for kids who want to experience swimming on a team. The membership fee is \$20 per year and is only offered for Pre-comp and Bronze group swimmers. Athletes who register as Flex Athlete Members are limited to two (2) sanctioned meets, but cannot compete in the LSC Championship. If the athlete participates in a third sanctioned meet, the membership will automatically rollover to a year-round membership and the difference in fees must be paid before the next competition.

Premier membership is \$72 per year with unlimited meets.
