Reminders

Locker Rooms: Athletes are not allowed to leave their belongings out in the open in the locker room. All bags and personal belongings must be left either inside of a locker, or out on the turf during all practices and dryland workouts. Athletes are not to loiter in the locker rooms. Locker rooms are for changing and restroom use only. Our staff does perform locker room sweeps.

Parking Lot Rules: Parents must park in a parking space when waiting to pick-up or drop off their swimmer. Lining up in front of the facility is not allowed, as it creates the dangerous situation of cars backing up on Southwest Parkway. We do have additional parking spaces on the fourth floor in the Encino Trace Parking Garage next door to the pool available for our members. We ask that when our lot is full you park next door, and walk your swimmer over to practice/pick them up. Do not form a drop off line at Encino Trace, you must park when over in their parking lot. We ask that parents park next door when possible to leave parking spots available for our athletes who drive themselves.

Team Store: You can purchase all the equipment your swimmer will need, as well as a team suit from our TYR Team Portal. Please visit <https://teams.tyr.com> and enter access code AUSTINSC25 to register.
