

Pre-Meet Prayer

Father,

We give thanks for the opportunity to gather here today in good health. For the Parents, We humbly ask for guidance today to behave through our actions and words the way you want Good shepherds to act toward every one of your children.

For the
Swimmers,

Help them to remember that God's team comes first and individual ambition second. May your swimmers have the concentration and courage to live up to the potential you have given them. May they do their very best to beat the person in their own lane and cheer for the person in the other lane.

On behalf of everyone gathered here today, we ask for safety, good sportsmanship and personal improvement.

In Jesus' name we pray

AMEN
