

2025-26 Pre-Team Enrollment Periods

This season, we've updated our registration process to better support swimmer development. The new system is designed to promote **more consistent and continuous swimming throughout the year**, helping athletes maintain progress, build endurance, and stay connected with their team and coaches. By encouraging ongoing participation, swimmers experience fewer breaks in training, leading to stronger skills, improved confidence, and better long-term results in the pool.

| Pre-Team Enrollment Periods | | | |
