

STEEL TEAM FAQ

Q. When will I know the official practice schedule?

A. The Tentative Site Schedules are provided as guidelines for what to expect for the season. Practice times may shift throughout the season due to roster numbers, facility availability, other programming, etc. We do our best to keep schedule changes minimal.

Q. When will I know if practice gets cancelled?

A. In the event that a practice schedule changes, members will be notified via email from the Head Coach of Competitive. If a make-up practice is available, we will communicate with members. Any schedule for each week is e-mailed every Sunday night and posted on the website under the [NEWS tab](#). Be sure to check the schedule often for any changes or updates made as they are posted.

Q. How will practice schedule changes be communicated?

A. In the event of a schedule change due to facility changes or other conflicts, an email will be sent to (primary email on your registered account) the affected swim groups and locations.

Q. How much does Steel City Aquatics membership cost?

A. Our swim team cost takes into consideration the amount of training and coaching, so depending on what division your swimmer(s) is assigned, determines the program fees.

Q. What does that cost include?

A. [Click here](#) for swim team membership costs associated with the team registration.

Q. Are there any additional expenses?

A. Additional costs may accumulate throughout the season if you sign up for swim meets, team events, or when you purchase apparel and equipment.

Q. Where can I find all the other info about Steel City Aquatics?
