My swimmer(s) agrees to comply with all provisions of the San Antonio Wave Code of Conduct. Failure to comply with policies set forth in this document will result in disciplinary action(s).

1. First Offense: Verbal warning is issued by coaching staff to the swimmer.
2. Second Offense: Swimmer is removed from the pool and required to "sit out" for the remainder of the scheduled practice.
3. Third Offense: Swimmer's parent(s) or legal guardian is notified.
4. Fourth Offense: Swimmer is suspended from practice(s) as determined by the coaching staff or Board of Directors.
5. Serious Offense: If a serious offense is determined by the coaching staff or Board of Directors, a swimmer may be automatically suspended or dismissed from the team as necessary. Written documentation of the offense will be recorded and provided to the Swimmer's parent(s) or legal guardian.

## Parents

Parents of swimmers should always handle themselves in an appropriate manner to reflect positively on San Antonio Wave at our facilities and when visiting other facilities. Should a parent desire to communicate with the coaching staff for any reason, a mutually agreed upon parent/coach meeting can be scheduled with your swimmer's coach so as not to interfere with practice time or swim meets.
