

SPA Late Pick-up Policy

SPA Commitment

Sienna Premier Aquatics is committed to providing a safe environment for all swimmers and coaches. To maintain this commitment, it is paramount that no minors are left alone after practices and events.

Our coaches are focused on the swimmers in the pool during practices and need to get home to their families after practice has concluded. Please make all efforts to make back up arrangements and alternate pick-up options in the event you will be late to pick up your swimmer. Please make sure these alternate arrangements are discussed with your child in advance. If after 15 minutes the minor has not been picked up and no guardian can be reached, the local authorities will need to be contacted for everyone's safety.
