In the know

Practice Changes This Week:

Thursday: Don Cook not available to us. All practices will be held at Club Sienna. Please see the Weekly Calendar for updates.

Meets Added to Calendar

All remaining meets have been added to the SPA "Team Events" Calendar. Registration will open as we receive meet information and files from host teams.

Officials Needed!

SPA is looking for several parents to become officials to help run our hosted meets and be available to assist at away meets. More information can be found under the "Become an Official" tab on the SPA website. Becoming an active official in the Gulf will satisfy all required volunteer hours for the year.

Club Sienna Will be Crowded!

There will be a lot going on at Club Sienna the next few weeks. We have Sharks, Swim Lessons and our Club programs. Please make sure to drive with caution in the Club Sienna parking lot! It will be helpful for swimmers to arrive early to their practices and report directly to their coach for directions on where to put their belongings.

SPA 2022-2023 Recap

The annual SPA Banquet was held on Friday night. We were able to honor our swimmers' accomplishments over the past 2 seasons. Here are a few of the numbers that were shared:

23 - Swim Meets
267 - days of practices
360 - program participants across all SPA programs
1185 - swim lessons provided
3571 - events swam by SPA swimmers
5112 - seconds dropped by all SPA swimmers this season. (That is 85 minutes!)

These may just sound like numbers, but these are much more than that. These are signs that our hard work is paying off. These are little pieces of the big picture.

Each and every one of you had a part in making these numbers possible and we thank you for making Sienna Premier Aquatics more than just a swim team.

PLEASE READ THE FOLLOWING SO YOUR SWIMMER IS PREPARED FOR PRACTICES:

SPA Required Practice Equipment

All SPA practice groups have a required equipment list. The list can be found on our website [here](#). It is important that swimmers have all the required equipment for practice, so that they can fully participate.

SPA Required Dryland Apparel

All SPA groups participate in dryland activities at many of their practices. For safety reasons, swimmers **MUST HAVE** the following to participate in Dryland: **Shirt, Shorts/Pants, Athletic Shoes**. Crocs, slides, and other similar shoes are not appropriate. Swimmers who do not have the appropriate apparel will not be able to participate in this portion of practice.
