All SPA practice groups have a required equipment list. The list can be found on our website here. It is important that swimmers have all the required equipment for practice, so that they can fully participate.

SPA Required Dryland Apparel

All SPA groups also participate in dryland activities at many of their practices. For safety reasons, swimmers MUST HAVE the following to participate in Dryland: Shirt, Shorts/Pants, Athletic Shoes. Crocs, slides, and other similar shoes are not appropriate. Swimmers who do not have the appropriate apparel will not be able to participate in this portion of practice.
