**2024 SZ Athlete Summit** - The Southern Zone is looking into hosting an Athlete Summit in 2024 (June 21-23). Possible locations (University of Louisville, NC State) – I asked the Budget Committee to look into setting aside \$6,000 for the Athlete Summit.

The purpose of the Athlete Summit is to instill qualities of leadership and cooperation, as well as cultivate a foundation of knowledge about USA swimming governance, legislation, and operation. This is best accomplished in an in-person setting, as it increases accessibility for conversations, group work, and relationship building. Participants should walk away with an understanding of how they can be leaders on a variety of scales—from their team to their LSC to their zone. Further, it would promote a sense of unity throughout our zone and would not limit opportunities for swimmers based on speed and would instead encourage swimmers who already have initiative to elevate themselves as leaders within their LSC.

**Southern Zone Annual Meeting** - Southern Zone Annual Meeting will be held on Sunday, September 17 at 5:30pm. Meeting will be done over zoom. We are looking into increasing the number of participants since the current SZ license only allows for 100 attendees. If anyone is interested in attending the meeting, please let me know.

## 2024 SZ ATHLETE SUMMIT

REQUESTED BY: Bruno Darzi – Admin Vice Chair

Presented as of September 2023

Camp mission statement: The purpose of the summit is to instill qualities of leadership and cooperation, as well as cultivate a foundation of knowledge about USA swimming governance, legislation, and operation. This is best accomplished in an in-person setting, as it increases accessibility for conversations, group work, and relationship building. Participants should walk away with an understanding of how they can be leaders on a variety of scales—from their team to their LSC to their zone. Further, it would promote a sense of unity throughout our zone and would not limit opportunities for swimmers based on speed and would instead encourage swimmers who already have initiative to elevate themselves as leaders within their LSC.

The camp would allow up to 6 FGC athletes and 1 staff member to attend the 2024 Athlete Summit on June 21-23. The camp will be held at the University of Louisville. The Southern Zone approved a budget of \$12,000 to spend. Those funds will be used for: Pool rental lifeguards, speakers' fees, activities, "swag" etc.

The LSCs should come up with their own budget to cover the cost of sending the athletes (up to 6) and one staff member. Please see the tentative budget below:

Cost per athlete: \$110 (includes double room, breakfast, lunch, and dinner)

Transportation cost:

Flight options:

MIA-SDF - \$480 - \$500

FLL-SDF – \$540 - \$560

PBI-SDF - \$511 - \$580

Total cost per athlete: Approximately \$600 - \$700

Proposal: Athlete pays \$150

FGC pays: \$450-\$550

Selection criteria: FGC Athletes Representatives will work on the selection procedure.

Please let me know if you have any questions.

Sincerely,

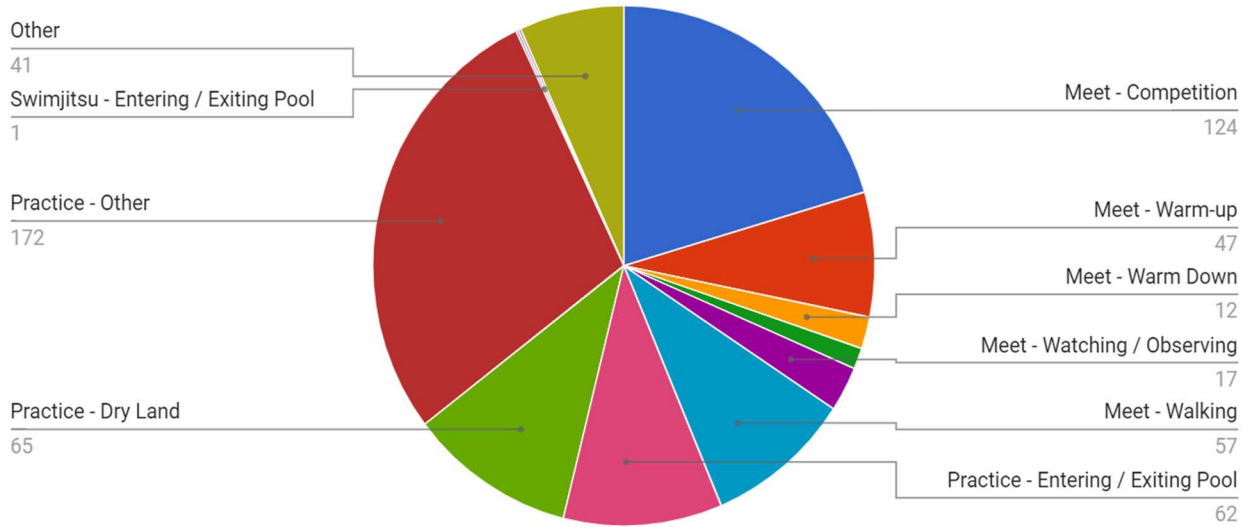

Bruno Darzi

FGC Admin Vice Chair

- Zones OW awards for 13-14 girls relay have been received. Distributing to teams/coaches

### New Business

- Review AG Champs Time Standards for errors that should have been fixed from 23. 13-14 100 back. Which relay?
- Look at procedures. Meet hosts/referees may/may not request changes from the AG Chair when modifying meets for any reason. Suggest a small group look at this and how it ties to other procedures within the LSC. Why have an unenforceable rule? What changes need to be made to reflect the LSC philosophy?
- Consider a small group to review the possible new membership category of Junior Officials.
  - Does the LSC want to set an upper speed limit on using this new membership/volunteer?
  - Consider creating a crisis plan or suggesting best practices for referees when helping these volunteers before we need it.

### Action Items

## **OFFICIALS RECERTIFICATION**

Every official is required to re-certify between **September 1, 2023 and August 31, 2024**. By doing so, your current certification will be extended to August 31, 2027. Do not confuse your certification (ST, SR, DR, AO, AR) with your USA Swimming registration, APT and background check.

To re-certify ST, SR, DR, and AR, you must take the Stroke and Turn Certification exam. If your only certification is AO, you must take the Administrative Official Certification exam. Everyone must complete **6 sessions** at a minimum of **two different meets** between September 1, 2023 - August 31, 2024. You may work at any position you are certified in. This includes apprenticing in an advancement certification. Your sessions need to be completed at USA Swimming sanctioned meets. **Observed meets will not count.**

Submit this [FORM](#) upon completing your requirements. Please do not wait until August of 2024.

The [FORM](#) link is also on our [Official's Page](#).

## **APT COURSE UPDATES – COMING OCTOBER 24:**

Please be aware that the following courses will be updated **Wednesday, Oct. 25, 2023:**

- SafeSport® Trained Core
- Refresher 1, 2, and 3

### LEARNER PROGRESS

If any of your learners have started but not yet finished any of these courses: Please advise them ASAP to complete the in-progress course by Tuesday, Oct. 24 to avoid having progress reset and having to restart the course from the beginning. Please plan your training schedule accordingly.

SafeSport® Trained Core and the Refresher courses will include new content reflecting the recent 2023 SafeSport Code updates and information about the 2025 MAAPP. They will also include technical fixes to correct minor bugs. The updates will not change the status of course completions prior to Oct. 24.

## **REGISTERING FOR A NEW USA SWIMMING MEMBERSHIP**

### **1. Parent creates a login for their USA Swimming account at [hub.usaswimming.org/landing](http://hub.usaswimming.org/landing).**

Do NOT add family members at this step, since you don't know their new Member ID. Remain logged in after you create your account. No athlete info is entered at this step.

If you are 18 or older, you will need to create your own account login.

### **2. Open a new tab with your team's Membership link:**

At the top of the registration page, you'll see a section for Renewals. Scroll down past the Renewals section until you get to the **Create New Memberships** section. The box on the right is for new members. Click "**Add a New Member.**"

On the next page, you will be asked who the membership is for. Since you are registering your child, click the top box.

You will now proceed through the registration forms.

On the first form labeled **About Member**, make sure you are filling in the information for the person who the membership is for. If you are registering your child, this will be their info. If you are registering yourself, this will be your info. You will ONLY register yourself if you are becoming an OFFICIAL.

On the **Contact** form, be sure to fill in the information of the member's main contact. If you are registering your child, fill in your own information and select Parent (or other applicable title) in the 'Relationship to Member' dropdown box.

The **Membership** form is where you will select which membership(s) you are going to purchase for the person who is being registered – your athlete.

Complete the **Ethnicity** and **Gender** forms by selecting the ethnicity and competition category for the person who is being registered.

Click the red "No" toggle buttons to change them to "Yes" for each of the legal acknowledgements. Enter your signature.

You will now see a **Member Summary** with all of the information you have entered. Please review the information to make sure it is correct. To register a second member, click the blue "Add Another Member" button. To complete the registration for just the single member you've entered information for, click "Check Out."

You will be taken to your **Shopping Cart**. Review the items, and click "Check Out" in the bottom right corner. Enter your payment information and click "Pay" to complete your registration purchase.

# Officials Report for September.

No real changes since last meeting.

Hector Acevedo has submitted his resume of Open Water Official of the Southern Zone.

There is a link on the FGC Officials Page for recertification which also applies to all AO's and many are coaches.

I must ask that if coaches host meets they must grow their own officials to insure they have officials to host meets. Getting officials to travel especially when they have swimmers not going to that meet is difficult at best. Please work on getting parents to take on officiating.
