January 2023 Officials Committee Report

Steve Goldman

Tue, Jan 17, 2023

We continue to send weekly calls for officials and have expanded to include upcoming sanctioned meets for the month.

All Referees have been chosen with the help of the hosts for the championships for 2023.

We expect to send one official to the LSC Officials Meeting in Denver and one official to the new referee meeting that same weekend in Denver.

SWIMS 3.0 continues to be a challenge for officials but more and more items are coming up on a weekly basis.

We continue to request meet referees to check all officials' credentials at every meet.

Unfortunately, we had to ask Matt Stoneburg of Florida Swimming to serve as meet referee because an N3 referee is needed to be a meet referee at the Sectional level and all our N3 referees have schedule conflicts mostly with Phillips 66 meet.

We ask coaches to help us with recruiting officials. We must continue to feed into our inventory of officials to replace those who leave. Our clinics can be done either through email or Zoom and apprenticeships are at a minimal level the LSC covers background checks if the official submits their receipt and if the team pays registration that volunteer gets expenses covered and some hosts graciously cover gift cards. Another Word you're at the meet you might as well help it may not cost a penny in fact you may save a penny. Bottom line is we are here for your swimmer. How about being here for all the swimmers.

Respectively submitted.

FGC Officials-60-day Apprentice Membership

Steve Goldman

All,

We recently had a 60-day member contact a coach saying what do I do now. They contacted me only to find out the membership expired. Now that we have online registration, I have no way of knowing who signs up. Is having an apprentice membership make sense anymore.

We essentially can get an apprentice on deck in a week if we know they joined. Our clinic can be done with:

Join

Take background check.

Take APT

Take concussion Training send certificate to Dick.

Watch the YouTube videos.

Take Stroke and Turn test pass with 80.

Apprentice on deck (4 sessions)

Bottom line.

Do we need 60-day apprentice membership that when expires we can't track.

Steven
