COVID-19 Relief Guidelines: FGC Coronavirus Relief Grant (#SupportOurClubs)

Prepared By: The Florida Gold Coast Board of Directors
Released: April 2, 2020

The 2020 Coronavirus (COVID-19) outbreak has sparked an unprecedented worldwide pandemic. Local, State, and National government agencies urged a nationwide halt to normal business operations and group gatherings. In the sport of swimming, this includes cancellation of swim events worldwide. In Florida, every locality is experiencing suspension of team training and practices. Widespread (possibly complete) pool facility closures and beach closures have occurred to the Florida Gold Coast teams throughout Broward, Martin, Miami-Dade, Monroe, and Palm Beach Counties. This caused significant disruption to club business operations within our Florida Gold Coast LSC.

The immediate financial impact on our US economy, especially small businesses, is dramatic. **Clubs/teams are experiencing an urgent need for support through this abrupt and unforeseen cessation of training fee revenue.** The impact on coaches is immediate as employers and business owners are forced to make difficult staffing and facility decisions. However, to lose even one club to COVID-19's immediate aftermath would be a tragic loss for the LSC. **The FGC LSC Board of Directors offers the opportunity to apply for a one-time relief grant** to allow for continued operations in the globally disrupted revenue period of Feb 15-June 30, 2020 currently declared as a disaster. This expenditure is approved up to an amount of \$85,000 and will come from the budgeted reserve.

FGC COVID-19 RELIEF GRANT GUIDELINES:

The FGC's mission is to promote growth and development of a diverse swimming community through education, innovation, and a commitment to excellence. This aligns with our vision to create a healthy community in south Florida which cultivates safety, fitness and competitive excellence through swimming. This grant aims to support the FGC youth swimming community and sports industry by providing fiscal relief so clubs can continue their work as charged in our mission. This immediate relief is intended to help club leaders and coaches find time to react and adapt to the changed landscape of local youth sports during the COVID-19 pandemic. Grant relief is intended to "bridge the gap" between the time this major catastrophe hit and when a club/team has secured longer term recovery resources, such as sufficient profits from a revived business, receipt of payments on insurance claims or larger federal disaster assistance. This is not intended as long-term support, business loan, or is in any way indicative of future support.

FGC COVID-19 RELIEF GRANT TIMELINE:

- April 3, 2020 - Grant application opens at 5pm EST
- April 13, 2020 - Grant applications due at 5pm EST
- April 17-20, 2020 - Grant recipients announced. Funds disbursed by April 30, pending receipt of Letter of Agreement from recipient

FGC COVID-19 RELIEF GRANT ELIGIBILITY REQUIREMENTS:

Programs that have not been financially impacted i.e. operational expenses (such as employee compensation) continue from parent/umbrella organization, operational costs fixed, no financial impact can be proven) are ineligible for funding.
