

As happens every year, the officials' online tests will be unavailable from April 15-30, 2015. All of these tests are being updated to allow for the May 1st rule changes and to align with the 2015 Rulebook. Tests will be back online on May 1.

If any test-takers have not completed their tests by April 15th, the uncompleted tests will be deleted and they will have to be taken over from the beginning on May 1st. Completed tests will not be deleted.

Please let us know if you have any questions.
