Entry times must be achieved in competition sanctioned, approved, or observed by USA Swimming and proven through the USA Swimming SWIMS database. If a valid qualifying time does not exist in the USA Swimming SWIMS database, please contact the National Times Verification Officer for the LSC in which the time was swum. Override times may be used to enter the 200 meter length relays and do not require proof. Override times for all other events not proven through SWIMS by the scratch deadline for the event in question will be scratched.

Athletes will qualify to enter the 50 meter backstroke, butterfly, and breaststroke if they have qualifying times in the corresponding 100 meter event. For example, an athlete will qualify to enter the 50 meter backstroke if they have a qualifying time in the 100 meter backstroke.

Athletes may enter the 800 meter and 1500 meter freestyle with qualifying times in any of the 800 meter freestyle, 1500 meter freestyle, 1000 yard freestyle, or 1650 yard freestyle.
