Age Group Committee/Senior Committee [Mr. Scott Stephens & Jon Mengerling]:

The Age Group and Senior committees have been working together on solutions for modifying the state meet to take into account how many swimmers are entered and how long the meet has become. The current proposal would create meets on two separate weekends, with 15 & over swimmers swimming in one meet and 14 & under swimming in the other meet. In order to make these meets viable, we would need to reduce time standards so that we have the appropriate number of swimmers for each session.

For the Age Group meet (14 & under), the idea of splitting the 11-14 age groups into single age groups was also agreed upon. The 10 & under would swim in the morning session and the 11-14 groups would swim in the afternoon. We would also add the 400 relay for the 12 & under and the 200 relay for the 13-14.

For the Senior meet (15 & over), we would run this meet as a Prelim-Finals meet. We also discussed moving to single age group times. We would bring back 2 heats of each event, but would also split the 15-18 age group in to 15-16 & 17-18. This would give more swimmers an opportunity, as well as increase the number of swimmers to make the meet more viable. We would also add a 200 Freestyle Relay to add additional excitement to the meet.

The Age Group committee and the Senior committee will continue to work on this proposal with the idea of presenting it to the Board of Directors and House of Delegates at the October meetings.

The meeting was adjourned at 1:30.
