

LSC Wheel of Success

March 2021 Governance Committee Review

Ranking the Characteristics of a Successful Board

1. Write a trait/characteristic in each box that you feel is essential for a board to be successful.
2. Score how well each characteristic is performed by the board from 1-5 by coloring in the dot on the line. (1 = not good; 5 = very good)
3. Connect the dots by drawing a line from one score to the next.
