

REGISTRATION REPORT

- 1) Sending your registration doesn't mean your athletes are registered, I only download the file when I receive the CHECK.**
- 2) Host meet directors, good job getting me the registration file (SD3); please make sure you get the file to me the weekend before the meet and the file to me at the END of the meet. This will help get all our meet results into SWIMS in a timely manner.**
- 3) Host Meet Directors - Remember you need to send me the list of teams attending your meet so I can send you a list of registered coaches allowed on deck.**
- 4) Please do not send registrations via fax.**
- 5) Please do not send registered mail that has to be signed for delivery.**
- 6) If you or one of your coaches has a change in address - E-mail or street address please let me know.**
- 7) Hy-Teck has a on line Tutorial for Team Manager Registration.**
- 8) There is going to be some changes made to the Coaches Safety Training Course that will affect all coaches—will let you know more after the Convention.**

Registration comparison of LSC's :
