

Southeastern Swimming SCY Time Standards Report & Proposed 2022-2023 Qualifying Times submitted by Brian Haddad

The following report details the proposed changes to the 2022-2023 Southeastern Swimming Qualifying Times for consideration by the Coaches Committee. Please read carefully. This page will have bullet points regarding methods of calculation used for all age groups.

- For 2023, fourteen Qualifying Times are proposed for change.
- 10&U Qualifying Times for both Girls and Boys Calculated in the Following Manner:
 - Three year average of 40th place in all 10&Under events.
- 11-12 and 13-14 Qualifying Times for both Girls and Boys Calculated in the Following Manner:
 - Three year average of 32nd place result in all events **except** the 500 Free, 1000 Free, 1650 Free, and 400 IM (see below).
 - Three year average of 24th place result in the 500 Free, 1000 Free, 1650 Free, and 400 IM.
- Senior Qualifying Times for both Girls and Boys Calculated in the Following Manner:
 - Three year average of the following place for the following events:
 - 48th Place – 50 Free, 100 Free
 - 40th Place – 200 Free, 100 back, 100 Breast, 100 Fly
 - 32nd Place – 200 Back, 200 Breast, 200 Fly, 200 IM
 - 24th Place – 500 Free, 1000 Free, 1650 Free, 400 IM
- Bonus Time Standards Calculated at 2% slower than Qualifying Time Standards.
- As per legislation passed in 2015, all events 400 and longer will not have a Bonus Standard available.
