

Meeting Your New PES Program Requirements is Quick & Easy with Frasco® Profiles!

The new requirements for pre-employment screening pursuant to Article 502.6.8 became effective August 31, 2011. As a recommended USA Swimming provider of screening services, Frasco® Profiles is standing by to get your program up and running in three easy steps!

Step One:

Complete & Sign the Service Application, Service Agreement & End User Agreement
Transfer to Letterhead & Sign the Letter of Intent

Step Two:

Send all documents via fax or email to the following:

Toll Free Fax: 877-567-1215 Attn: New Accounts

Email: Scan all documents & email to usaswim@frasco.com

Step Three:

A New Account Representative will contact you personally to provide customized applicant forms and instructions on how to order background checks from the user-friendly Frasco® Profiles website.

New Accounts are typically up and running within 48 hours!

About Frasco® Profiles

Providing a safe environment for swimmers, their families, volunteers and employees is our number one priority at Frasco® Profiles. We provide an easy, hassle-free, legally compliant screening process with individualized, hands-on guidance and support to all USA Member Clubs so you can spend your time focusing on your swimmers, not paperwork and compliance.

Frasco® Profiles is the consumer reporting division of Frasco, Inc., a California based corporate investigation firm founded in 1964 and is a founding member of the National Association of Professional Background Screeners (NAPBS), and an active member of Concerned CRAs.
