Meet Operations

Herb S. asked the committee to discontinue the policy of not allowing out of sectional swimmers to participate in the D and E finals at Sectionals. After Discussion, it was decided to continue the policy in the E final only.

Sr. Ct. Champs – to allow for more swims, four (4) bonus events. Makes sense since we are talking about the band between Sectionals and Futures standards.

There was concern about the length of this summer's Sectionals prelims sessions. It was decided to go to a four day format. ML will put together a proposed event schedule to be discussed and voted on at the fall meeting. ML will e-mail out.
