Puerto Rico came out to play as hard as they could against a superior USA team and their effort was reflected at the scoreboard. The first quarter ended 1-1, with goals been scored by both teams on extra man situations. The second quarter was USA's all the way. They started to full court pressure and used every opportunity to counter attack and score from the perimeter and inside water shots. Both Puerto Rico goals came from center forward Guzman, who sometimes worked against two defenders and was able to score. Halftime score was 6-3 USA. The second half had USA scoring the first three goals using the same offensive and defensive pattern. Guzman from Puerto Rico was able to break the spell with a 5 meter shot, leaving the score 9-4 in favor of USA. For the fourth quarter, USA increased their defensive intensity, doubling Guzman at the post, putting full court pressure and not allowing a decent shot for Puerto Rico. United States, which will have a very tough test against Brazil in tomorrow's session, was led by Flynn (#8) with three goals. Guzman (#6) led Puerto Rico with three goals. Puerto Rico is free tomorrow.
