Successes!

- There were 4 UANA Federations in finals in team and duet! This is the most ever!
- We need to recognize this success and applaud the 4 Federations who made it through to finals!

Future Considerations for Annual UANA Pan Am

- Open UANA to other continents and have 2 sets of results.
- Why? To encourage the world to come and compete in the Americas!
- Consider adding mixed duets in all age groups.
- Why? To build the talent pool in all Federations.
- Adding All Senior Events to this competition
- Why? To encourage Seniors to stay involved and compete in their Clubs/States/National teams

What does UANA need?

- Convert our current FINA rated judges to the next level (G level to B and B level to A).
- Higher conversion rate from participation to finals to podium finishes from all zones in UANA.

Hosting UANA

- Ideally each zone would host a UANA Pan American in each quadrennial.
 - Example 2012 was Colombia, 2013 was Puerto Rico, 2014 was Riverside California and 2015 is Calgary.
 - We need hosts for 2016-2020 and it is important for Federations to budget for this competition. Please speak to the UANA committee about hosting in your country!!
