COMMENTS

In the game that decided positions 1-3 of the preliminary round team Canada came out clicking on all cylinders on defense and was able to defeat Brazil 8-4. With the win Canada earned the 1st spot in the preliminary round and Brazil got 2nd place. The first quarter saw both teams score on extra man. The other two goals were either from perimeter play or from center forward shots. Second quarter was more of a slow tempo game with great goal saves from both goalkeepers. Canada was able to score the only goal of the quarter on an extra man, putting the score 4-3 at the end of the half. Canada came out on fire at both ends of the field of play during the third quarter. They didn't allow any free opportunity and were able to score from the perimeter and from center forward. The last quarter was one of tight defense and excellent play by the Canada goalkeeper, who kept saving shot after shot from a Brazilian team that was looking for a goal that would put them in first place. Brazil did break the scoring spell in the last quarter after 19 minutes without a goal, but it wasn't enough to beat Canada. With the win, Canada gets first place and will go against host Trinidad and Tobago. Brazil will do battle with Argentina. The winner of this game will automatically qualify for the World Championships this summer in Budapest, Hungary
