COMMENTS

In what has been the best game of the tournament, Cuba and Brazil went head to head and ended in a tie during the last game of the preliminary round. The first quarter was an even one with both teams getting chances in extra-man and capitalizing on them. The beginning of the second quarter was more of the same until the last three minutes. In that span Carrasco (#5) from Cuba was able to penetrate the Brazilian defense for three goals, helping Cuba get a commanding 9-3 lead at halftime. The host team didn't panic and in the third quarter was able to come back and tie the game at 9 goals, using a very efficient extra-man percentage of goals scored. Alba (#2) from Brazil did most of the damage scoring four goals during that quarter. Both teams had their chances to win the game during the last quarter. Cuba jumped ahead in the first minute of the last quarter. Brazil responded and scored twice halfway through the quarter to tie the game. Neither team was able to score on extra man. Both teams will do battle again during the semi finals with the winner going against Canada. Brazil was led by Alba (#2) with goals while Cuba had Carrasco (#5) with 6 goals.
