### COMMENTS

The first of this final day of competition was for the bronze medal between Argentina and Brazil in the female category. The game started with both teams exchanging goals for the first half. Argentina was able to capitalize mostly from outside five meter shots while Brazil was very effective with their extra man opportunities. The first half ended in a 4-4 tie, Both teams had chances to untie the game in the last three minutes but weren't able to capitalize on their extra man opportunities. In the third quarter Brazil took the lead by one goal. Their style of game changed to using their center forward as the key person to create goals. It was very effective since they scored from the hole, from an ejection and from an assist. Argentina could only tally two goals, one of them coming from six meters out and the other from extra man. The last quarter was all Argentina. In a span of two minutes, they were able to score in three consecutive possessions on penalty throws. During that period, Brazil was able to get some extra man opportunities but were only able to score once. They even had a chance to tie the game with four seconds to go but weren't able to get a clear shot as time ran out. With the victory Argentina got the bronze medal. Their top scorer for the game was Ruiz (#7) with six goals. Silva (#3) led Brazil in scoring with 4 four goals

#### COMMENTS

The second game of the morning session was between Canada and United States for the gold medal. Based on the preliminary round results, the game was supposed to be an easy one for the US team. But Canada wasn't going to roll over and play for the silver medal. They came out playing their hearts out, holding USA to two goals for the first 5 minutes of the game. In the last 1:30 of the quarter, USA was able to capitalize on a counter attack shot and an extra man situation to put the score 4-1 at the end of the quarter. The USA team once again relied heavily on their top-notch defense and their constant attack in the offensive side of the ball to increase their lead in the second quarter to 7-2. Ball control and effective shooting helped US in the scoring column. And when you add that they will not stop playing hard defense it becomes too hard to develop a consistent attack. Canada scored first from center forward to cut the lead to three goals. USA countered with four goals in a five minute span to put the game out of reach. The relentless USA defense just kept Canada from scoring in the last quarter. No easy shots were allowed by the stingy US defense and when Canada was able to do so, shots were either blocked by the defenders or by the goalkeeper. With the win USA gets the gold medal. Flynn (#8) was their top scorer with five goals. Dykman (#9) led the silver medal Canada team with two goals.
