Pricing and Programs

Hello and welcome to year two of Keystone Aquatic Club's water polo program. The 2024 calendar year will serve as the second full year of the program.

As we are building the program we will be offering two different commitment options that are based on the number of practices a month an athlete wishes to train.

During the course of the year we will evaluate the need to break practices by skill and age, but in the growth period groups will be in the water together.

The focus of these groups will be built around gaining fundamental skills and understanding of the game through drills and controlled play that is required to play at the next level.

The two packages available will be:

Bronze package - 4 practices per month

Gold package - Unlimited practices per month

Practices per month	Monthly Plan	3-month Plan	9-month Plan
Bronze - 4	\$85	\$225	-
Gold - Unlimited	\$185	\$500	\$1,450

* Memberships do not cover the cost of USA or AWP registration, potential Club Team costs, potential J.O.'s costs, clinics, or team kit. Refunds only given at Water Polo Manager's discretion *

Needed Equipment:

Water Polo Suit

Water Bottle

Optional: Swim cap
