

## **Middle Atlantic Swimming Outreach Membership Policy**

Outreach Athlete membership is available to qualified athletes in accordance with USA Swimming guidelines. The purpose is to make membership available to athletes who might otherwise not be able to afford regular membership. The current Outreach Athlete membership fee is established by the MAS Board and is listed on the MAS Registration Fee table on the website. Other than the membership fee, an Outreach Athlete member is not distinguishable from any other Athlete member.

Applicants for Outreach Membership must be eligible for one of the need-based programs listed on the Middle Atlantic Outreach Application. The athlete's Club shall submit the application for membership, whether as a new or renewed member, to the MAS office in a manner consistent with the policy for submission of other membership application(s) together with a copy of the documentation confirming eligibility for participation in the Outreach Program
