

Dear Cache Valley Marlins Parents,

**Please carefully read this entire document before renewing your USA Registration.**

### **Renewing your USA registration**

Steps 1-3 are to create a USA Swimming account.

1. Click <https://hub.usaswimming.org/landing> to login to your existing USA Swimming account. The username and password you originally set up are the login info for your USA Swimming account.
2. Click [THIS LINK](#) to register with CVM. Find the section **RENEW ELIGIBLE MEMBERSHIPS** and find your athlete below.
3. Select Premium Athlete membership and follow the prompts to register your swimmer. You can **Add Another Member** before you check out if you wish to register additional members. You will receive an email confirmation of the registrations you submit. The cost is \$95 for 2024.
4. Follow the steps and finish registration. You should be good to go!

Any questions or problems, please contact [Marcus](#) via email.

### **Additional Information on USA Swimming Memberships**

*Premium?* Most swimmers are registered as Premium Athletes. This allows you to swim with our USA Sanctioned team, with USA registered coaches and practice time, and to participate in meets.

*USA Outreach Membership.* If your swimmer qualifies for free or reduced school lunch or you have a financial hardship, you may qualify for reduced fees through USA Swimming's Outreach Member program. If you would like to explore this option, contact [Nikki](#) before registering. She will work with you to determine if Outreach Membership is an option and, if so, help coordinate your registration.

Now, please get registered. Registration must be done before the swimmer comes to the next swim practice and hopefully all will be done by **11:59 pm, Friday October 7**. Please be sure to complete registration by the deadline to secure your spot with [Cache Valley Marlins](#).

Nikki Walsh
