

2023 Scholastic All-American Recognition for Swimmers with a Disability

With the new Swims 3.0 use of the athlete's account for applying for the Scholastic All-America (SAA) recognition, the system would only allow one time standard for selection. The SAA Parallel Time Standards could not be loaded therefore a different system is in place for Swimmers with a Disability to apply.

The Swimmer with a Disability is to contact Anissa Kanzari, Times and Recognition Committee Chair. Her contact information is below. With the application deadline being September 6th, 2023 (inclusive), it's important to contact Anissa very soon.

Please, include the following information:
