

Hello Eastern Zone parents

We are Sport Photography, and we will be at the Eastern Zone Age Group Champs meet to photograph the swimmers attending the meet. We are offering two different kinds of photos.

- Team and Individual Photos:

**For teams wanting Individual photos: All swimmers will be photographed individually to compose the team photo; each swimmer will have three individual poses and one pose for the team photo. All photographs will be posted online after the meet for parents to purchase. If you would like to be notified when the photos are available for purchase, please fill out the form following this link <https://sport-photography.com/machform/view.php?id=63283>*

**For teams wanting only Team Photo on the bleachers: Team Photos will be posted online after the meet for parents to purchase. If you would like to be notified when the photos are available for purchase, please fill out the form following this link <https://sport-photography.com/machform/view.php?id=63283>*

- Action Photos:

We offer action photos by reservation only. Only those that are signed up will be photographed on a first-come, first-serve basis. You can select as many events as you like to be photographed, we recommend at least two races to get the best coverage. Proofs posted and ordered online with a 15% meet discount available for 15 days after the end of the meet. To make a reservation for action photos, please fill out the form following this link <https://sport-photography.com/machform/view.php?id=60089>
