

Registration Report

January 2, 2008

There have been a total of 5583 athletes registered, 961 non-athletes, which include 222 coaches and 48 clubs. The athlete is 157 and the non-athlete 239 less than last year. Clubs have gained 1. To date 4 clubs, (this does not include Virginia or Virginia Tech who often renew at different times during the year) SVFY, US, PRO and SSC have not renewed. I have notified all several times and have gotten only 2 replies, "it's in the mail." We have had 2 clubs join, STAT in Northern Virginia and ACST in Southwest. NOVA is still the largest with 610 followed by PATS at 332.
