12 WHISTLEBLOWER POLICY

12.1 General

VSI's Conflict of Interest Statement (CoIS) requires that members of the VSI Board of Directors (BOD), employees, and agents observe high standards of business and personal ethics in the conduct of their duties and responsibilities. Representatives of VSI must practice honesty and integrity in fulfilling their responsibilities and comply with all applicable laws, regulations, VSI By-laws, and VSI Policies and Procedures.

12.2 Reporting Responsibility

It is the responsibility of all VSI BOD members, employees, and agents to comply with the CoIS and to report violations or suspected violations in accordance with this policy.

12.3 No Retaliation

No VSI BOD member, employee, or agent who in good faith reports a violation of the CoIS shall suffer harassment, retaliation, or adverse employment consequence. A VSI BOD member or agent who retaliates against someone who has reported a violation in good faith is subject to discipline by the Zone Board of Review. A VSI employee who retaliates against someone who has reported a violation in good faith is subject to discipline up to and including termination of employment. This Whistleblower Policy is intended to encourage and enable VSI BOD members, employees and agents to raise serious concerns within the organization prior to seeking resolution outside the organization.

12.4 Reporting Violations

In most cases, a BOD member's Division Head, an employee's supervisor, or an agent's VSI contact is in the best position to address an area of concern. If, however, the individual is not comfortable speaking with that individual or is not satisfied with the response, the individual is encouraged to speak with the General Chair, Admin Vice-Chair, Senior Chair, or Age Group Chair. VSI BOD members are required to report suspected violations of the USA Swimming Code of Conduct to the applicable Board of Review (Zone or National), which has specific and exclusive responsibility to investigate all reported violations. For suspected fraud, or when the individual is not satisfied or uncomfortable with following VSI's Whistleblower Policy, individuals should directly contact the applicable Board of Review (Zone or National).

The Chair of the VSI Finance Committee serves as the VSI Compliance Officer. The Compliance Office is responsible for investigating and resolving all reported complaints and allegations concerning violations of the CoIS and, at the Compliance Officer's discretion, shall advise the Finance Committee. The Compliance Officer has direct access to the Finance Committee and is required to report to the Finance Committee at least annually on compliance activity.

12.6 Accounting and Auditing Matters

The VSI Finance Committee shall address all reported concerns or complaints regarding corporate accounting practices, internal controls, or auditing. The Compliance Officer shall immediately notify the Finance Committee of any such complaint and work with the committee until the matter is resolved.

12.7 Acting in Good Faith

Anyone filing a complaint concerning a violation or suspected violation of the CoIS must be acting in good faith and have reasonable grounds for believing the information disclosed indicates a violation of the CoIS. Any allegations that prove not to be substantiated and which prove to have been made maliciously or knowingly to be false will be viewed as a serious disciplinary offense and will be referred to the Zone Board of Review.

12.8 Confidentiality

Violations or suspected violations may be submitted on a confidential basis by the complainant or may be submitted anonymously. Reports of violations or suspected violations will be kept confidential to the extent possible, consistent with the need to conduct an adequate investigation.

12.9 Handling of Reported Violations

The Compliance Officer will notify the sender and acknowledge receipt of the reported violation or suspected violation within five business days. All reports will be promptly investigated and appropriate corrective action will be taken if warranted by the investigation.

13 GRIEVANCE POLICY

13.2 Grievance Procedures

- A. Regarding allegations of a violation of the VSI Code of Conduct Policy or VSI Conflict of Interest Policy by a VSI Board of Director Member, VSI Committee Chair or Member, or a VSI Coordinator
 - (1) Notification: Any VSI athlete member, the parent/legal guardian of a VSI athlete member, or a VSI nonathlete member alleging such a violation should notify the VSI General Chair of this violation in person or in writing. If the VSI General Chair is the person whose conduct is in question, the VSI Administrative Vice-Chair should be notified in person or in writing. If both the General Chair and Administrative Vice-Chair are involved in the complaint, then another VSI voting Officer (Finance Vice-Chair, Senior Vice-Chair, Age Group Vice-Chair, or Treasurer) should be so notified.
 - (2) Procedures: The complaint will be reviewed and discussed by the full VSI Board of Directors, excluding any individual with a conflict of interest. The VSI Board of Directors has the authority to impose penalties or resolutions for grievances falling within this section of the policy. Actions are at the sole discretion of the VSI Board of Directors and may include, but are not limited to, verbal warnings, temporary suspension from LSC activities, and expulsion. Involved parties will be informed of the processes and range of potential consequences.
 - (a) Gathering Information: The appropriate individuals will contact the person who filed the grievance and the person against whom the grievance is being filed to ask questions and gather additional information about what happened. In addition, other witnesses may be contacted for more information. All information obtained and any hearings conducted will be documented.
 - (b) Assessing Behavior: The behavior of the person(s) against which the grievance was brought will be assessed using VSI bylaws and policies including the VSI Code of Conduct Policy and VSI Conflict of Interest Policy, as well as applicable local and state laws. Any consequences and disciplinary actions will be decided using the following general guidelines:
 - Nature of the misconduct
 - Severity of the misconduct
 - Prior disciplinary actions

- Adverse effect of the misconduct
 - (c) Final Action: If appropriate, consequences will be given, and disciplinary action will be taken. Any actions taken will be documented in writing and communicated to both the complaining party and the person against whom the complaint was filed.
- B. Regarding Employment Grievances of VSI Staff
- (1) Notification: Should an employee of VSI have a grievance regarding their employment, the employee should notify the VSI General Chair of the grievance in person or in writing. If the VSI General Chair is named in the complaint, the VSI Administrative should be notified in person or in writing. If both the General Chair and Administrative Vice-Chair are involved in the complaint, then another VSI voting Officer (Finance Vice-Chair, Senior Vice-Chair, Age Group Vice-Chair, or Treasurer) should be so notified.
 - (2) Procedures: The grievance will be reviewed and discussed by the voting Officers of VSI, excluding any individuals with a conflict of interest. The voting Officers of VSI have the authority to resolve a grievance falling within this section of the policy. If the employee is not satisfied with the proposed resolution, the grievance may be appealed to the full VSI Board of Directors for review.
 - (a) Gathering Information: The appropriate individuals will contact the person who filed the grievance and the person against whom the grievance is being filed to ask questions and gather additional information about what happened. In addition, other witnesses may be contacted for more information. All information obtained and any hearings conducted will be documented.
 - (b) Assessing the Grievance: The validity of the grievance shall be determined by weighing the evidence at hand and in keeping with VSI Bylaws, VSI Policies and Procedures, and any applicable local and state laws.
 - (c) Final Action: A final determination will be made, documented in writing, and communicated to both the complaining party and VSI Board of Directors.
- C. Regarding Allegations of Professional Misconduct by VSI Certified Officials
- (1) Complaints related to the professional qualifications, professional misconduct, or code of conduct violations of certified VSI officials are handled according to Section 34 “Officials: General Guidelines for Discipline and Decertification” of the VSI Policies and Procedures.”

14 PROCUREMENT POLICY

This policy establishes standards and guidelines for the procurement of supplies, equipment, and services to ensure that they are obtained as economically as possible through an open and competitive process and to ensure that contracts are managed with good administrative practices and sound business judgement.

- 14.1 No VSI BOD member or staff member shall participate in the selection, award, or administration of a bid or contract if a conflict of interest is real or apparent to a reasonable person. Conflict of

interest may arise when any BOD member or staff member has a financial, family, or any other beneficial interest in the vendor firm selected or considered for an award (see Section 12 “Conflict of Interest”).

- 14.2 All procurement transactions will be conducted to provide, to the maximum extent possible, free and open competition among suppliers. To avoid the purchase of unnecessary items, VSI must begin with an analysis of the need for the procurement. The purchaser must then identify and clearly specify standards for the good or services desired and seek competitive offers where possible to obtain the best possible quality at the best possible price.

There may be occasions when VSI is obligated to spending without undergoing the proposed method. These occasions may include required attendance at events where costs are set by other entities or by spending on items that are covered under contracts not in VSI control. Likewise, factors beyond cost may be considered when choosing a swimming venue for a VSI-hosted championship. These factors may include such items as the availability of warmup water, historic data on air and water quality, venue staff knowledge, and the desire to host championship meets at different geographical locations within the VSI territory.

- 14.3 When procuring goods and services for VSI, the following methods will be used:

- A. Less than \$5,000: Purchases of less than \$5,000 that are included within the approved VSI budget can be made without additional approvals.
- B. \$5,000 or more: Purchases of \$5,000 or more that are included within the approved VSI budget require the solicitation of at least three direct, over-the-phone or written quotations (eg, rate, cost). Purchases must then be approved by the General Chair. Recurring purchases need only obtain updated quotations once every 2 years.
- C. While total costs will frequently be the major consideration when choosing among multiple quotations, other factors, when justified, may be used to accept other than the lowest quotation. Non-exclusive examples of such factors include the following:
 - (1) Safety record and on-time record of transportation services
 - (2) Location (eg, travel time, accessibility to swim venue) and availability of ancillary services (eg, meeting rooms, dining options, provision of additional rooms at no charge) of lodging services
 - (3) Timing equipment that is compatible with existing systems

Purchases not included within the approved VSI budget must be approved by the VSI BOD, and the purchases should follow the guidelines in sections 14.3.A-C.

- 14.4 Procurement records should include the following:

- A. Receipts for small (less than \$5,000) purchases.
- B. Receipts and/or contracts as applicable for large (\$5,000 or more) purchases.
- C. Executed price sampling for small (less than \$5,000) purchases

- D. Bids received for large (\$5,000 or more) purchases and a description of how the winning bid was selected, especially if the lowest bid was not selected (eg, better quality, more timely delivery)
- 14.5 VSI must ensure proper oversight and management of procurement actions. VSI is responsible for evaluating contractor performance and documenting, as appropriate, whether contracts have met the terms, conditions, and specifications of the contract.
- 14.6 On an annual basis, the Finance Committee will conduct an audit of the VSI purchasing records.

15 REGISTRATION PAYMENT POLICY

- 15.1 For teams that are in good financial standing with registration payments, registrations will be processed when received by the VSI Membership/Registration Coordinator. Payment of the applicable fees is expected within 15 days of the submission date.
- 15.2 Payment for registrations is due by the 15th of the following month (eg, payment for registrations made in October must be received by November 15th). At the beginning of each month, teams will be sent a statement of registration transactions showing the amount due that month. Teams failing to submit payment of the amount due prior to the 15th will be charged a 5% service fee. For each additional month that the payment is not received by the 15th of the month, an additional 5% service fee will be charged.
- 15.3 Teams failing to submit payment within 30 days of the original statement date will be deemed to be not in good financial standing regarding registration payments and no additional registrations will be processed until payment of the applicable fees has been received by the Membership/Registration Coordinator.
- 15.4 For teams that are not in good financial standing with registration payments, payment of all outstanding registration and service fees must be made by 15th of the month immediately following the month when the first service fee was assessed. If payment is not received by that date, all members of the team will be changed to unattached on the first Monday following the 15th.
- 15.5 Teams failing to submit payment within 60 days of the original statement will be automatically referred to the Administrative Review Board. VSI may also seek a legal judgment against the team.

16 CREDENTIALS

At all meets, all coaches are required to have their coaching credentials available and produce them if requested. The date of expiration will be shown on the credentials. Credentials will only be issued by the Membership/Registration Coordinator. This will only occur after s/he has received documentation that all requirements for certification have been met.

17 CLASSIFICATIONS, TIME STANDARDS AND ENTRIES

- 17.1 Unless otherwise announced by VSI, National Age Group motivational times will be used to determine swimmer classification. These will go into effect November 1 each year.
- 17.2 For each stroke and distance, the level of classification of the swimmer will be that of the highest level achieved whether in a 25 yard, 25 meter, or 50 meter course.
- 17.3 Relay Events: A swimmer may participate on a relay when his time in the stroke and distance of that leg of the relay is not faster than the time permitted in the individual event in the meet. If a swimmer betters the maximum entry time in the same meet, the swimmer may still compete in the relay.
- 17.4 Entry times must have been achieved in USA Swimming sanctioned or approved competitions, or observed swims. "Coaches Times" or "No Times" are permitted whenever specified in the meet announcement. Coaches Times must be slower than an A time. Entries using Coaches Times or No Times are not permitted at Age Group Champs or Senior Champs.
- 17.5 If, after entering an event, a swimmer achieves a time that is faster than the meet permits, the swimmer shall not participate in that event. The swimmer/coach must notify the meet director who will allow the swimmer to select an alternate event or refund the entry fee.
- 17.6 Illegal Participation in Meets
 - A. Any of the following are deemed to be illegal participation:
 - (1) Entries using fraudulent and/or non-verifiable entry times that are not in accordance with the entry guidelines as specified in the meet announcement.
 - (2) Athlete competed in the meet in the incorrect age group.
 - (3) Athlete not registered with USA Swimming prior to the first day of the meet.
 - B. If an illegal entry is discovered after the entries have been sent in and prior to the competition, the host club shall contact the person submitting the entry to take corrective action. If no action is taken, the entry will be scratched and the entry fee forfeited.
 - C. If it is suspected that an athlete participated in the meet illegally, the Meet Director, Meet Referee, or VSI Times Officer shall submit documentation of the offense to the Executive Director and Administrative Vice Chair.
 - (1) If the offense is a fraudulent or non-verifiable time, the burden of proof shall be borne by the challenged club or, if unattached, by the athlete. The proof of time must include the name and date of the meet where the time was achieved and a copy of the official event results. The proof of time must be submitted within seven days of being challenged.
 - (2) Once a decision has been reached as to whether or not illegal participation occurred, the meet host shall be responsible for correcting the scores and awards as necessary. If corrections are required, the meet host shall send a corrected copy of the meet database to the VSI Business Office so that the corrected meet results can be published.

17.7 Penalties and Fines

- A. Any illegal entry or participation shall be reported to the Executive Director and Administrative Vice Chair who will then investigate the circumstances. Once it is verified that the entry or participation was illegal, a fine will be assessed according to guidelines approved by the VSI Board of Directors.
- B. If the athlete was swimming unattached, the fine is imposed on the athlete; if the athlete was swimming attached to a club, the fine is imposed on the club the athlete was representing during the competition.
- C. Fines are considered due and payable immediately upon receipt of notification, even if the assessment of the fine is appealed to the VSI Administrative Review Board.
- D. Fines are to be submitted to the VSI Business Office.
- E. Should a fine remain unpaid after thirty (30) days, the athlete (if the fine was imposed on the athlete) or the club (if the fine was imposed on the club) shall be notified of their suspension from competition in VSI-sanctioned meets until such time as the fine is paid.
- F. The assessment of any fine or penalty may be appealed to the VSI Administrative Review Board within thirty (30) business days of notification of the fine.

18 COMPETITIVE SUBDIVISIONS

To maximize competitive opportunities, reduce travel, and facilitate administration, clubs are assigned to competitive subdivisions for various meet classifications. For regularly scheduled meets conducted in accordance with current course schedules, the Board of Directors will determine the competitive subdivisions and the assignment of clubs. The Technical Planning Chair may approve variations in club or athlete attendance on a case-by-case basis for good cause shown after consultation with appropriate members of the Board of Directors.

19 SANCTION AND APPROVAL PROCESS

- 19.1 To obtain a sanction or approval for any level meet, the host club/entity must have achieved club-level Safe Sport recognition, and the end date of the recognition must run through the last day of the meet. If club-level Safe Sport recognition lapses and is not in effect for one or more days of the meet, the sanction or approval will be rescinded.
- 19.2 The purpose of the sanctioning and approval process is to ensure that swimming competition under the jurisdiction of the VSI local swimming committee (LSC) conforms to the rules, regulations, policies, and procedures of both VSI and USA Swimming. Sanctions and approvals are granted to a host club/entity sponsoring approved competitions within the VSI LSC.
 - A. Sanction requests are for competition under the auspices of USA Swimming guidelines and all of the participants registered with USA Swimming.

- B. Approval requests are for competition under the auspices of USA Swimming guidelines and some of the participants registered with USA Swimming
- 19.3 VSI, through action of the VSI BOD, may reserve two weekends per year for leadership and education events as planned by the LSC. Meets shall not be held on these weekends. These reserved weekends are not applicable to meets hosted by non-VSI clubs/entities within VSI territory.
- 19.4 The weekends on which District, Age Group, and Senior Championships are considered to be protected and additional meets shall not be held on these weekends.
- 19.5 Bid requests from VSI clubs/entities for meets to be held during the upcoming swim year will be due by a specified date prior to the spring meeting of the Technical Planning Committee. The meet schedule for the upcoming swim season will be approved by the committee at that meeting. Once the schedule is approved, requests for sanctioned or approved meets received less than two months prior to the proposed start date of the meet will only be considered if:
- A. A meet on the approved schedule has been cancelled within four (4) weeks of the proposed meet, or
 - B. Team entries for a meet on the approved schedule have been denied, or
 - C. The requested meet is a time trial meet, dual meet, or intra-squad meet.
- Once the request for the additional meet is granted and the meet is added to the schedule, the meet announcement must be submitted within five (5) days.
- 19.6 **SANCTIONED MEETS:** The minimum information required for a sanction to be issued is a list of events; the date, time, and location of the meet; and the name and contact information of the Meet Safety Officer, Meet Director, and the Meet Referee for the meet.
- APPROVED MEETS:** The minimum information required for an approval to be issued is a list of events; the date, time, and location of the meet; and the name and contact information of the Meet Director and Meet Referee.
- Payment of the sanction fee for Sanctioned Meets or the approval fee for Approved Meets must be submitted with the meet rebate fees and other fees remitted to VSI after completion of the meet.
- 19.7 The meet director will coordinate directly with the VSI Business Office and make all necessary corrections to the meet invitation. Once the VSI Business Office has vetted the meet invitation, it will be forwarded to the Administrative Vice Chair for final reviewing and issuance of a sanction number. Once sanctioned, the Meet Director will publish and distribute the invitation announcement. Distribution to all participating teams should be 45 days prior to the scheduled start date of the meet. Except for meets as specified in Section 19.5, draft meet announcements received fewer than two months prior to the scheduled date of competition will be subject to the following penalties:
- A. Received 1 to 7 days past the original due date: \$50 per day.
 - B. Received 8 or more days past the original due date: \$50 per day for the first 7 days and \$100 per day thereafter.

- C. Should the penalty remain unpaid after thirty (30) days, the club shall be notified of their suspension from competition in VSI-sanctioned meets until such time as the penalty is paid.
 - D. The assessment of the penalty may be appealed to the VSI Administrative Review Board within thirty (30) business days of notification of the penalty. On-time payment of the penalty is required, even if the assessment of the penalty is appealed to the VSI Administrative Review Board.
- 19.8 After a meet has been sanctioned or approved, no fee, format, or other changes in the meet program (as defined in the USA Swimming Rules & Regulations) may be made without the expressed consent of the Administrative Vice Chair. If the host club/entity discovers that changes are needed, the host club/entity must notify the Administrative Vice Chair who may consult with the Age Group Chair, Senior Chair, or additional Board members in order to determine if the proposed changes will be allowed. In the event that the proposed changes are approved, a new meet announcement shall be submitted within five (5) days along with a re-sanctioning fee of \$250. Failure to notify the Administrative Vice Chair of such changes or follow the final decision regarding any changes could result in the denial or suspension of future meet sanctions.
- 19.9 Teams from outside the VSI LSC are welcome to participate in designated meets held by VSI throughout the year. These teams must conform to the same eligibility and registration criteria as established for all VSI teams in the meet.
- A. Additional requirements for visiting teams may be imposed to control the size of the meet and quality of competition. For example, visiting teams can be required to enter with an “AA” time standard while VSI teams may enter with an “A” time standard.
 - B. To further control entries, out of LSC entries may have a specified entry deadline that is distinct from the entry deadline for VSI teams. VSI teams who enter prior to the VSI entry deadline shall always be given priority for entry over out-of-LSC teams.
- 19.10 The Administrative Vice-Chair may deny a sanction or approval for the following nonexclusive list of reasons:

- 19.11 Prior to a meet, the VSI Board of Directors, by a majority vote, may revoke the sanction or approval for all, or specific, sessions of the meet if sessions with 12 & under swimmers have not been planned such that competition can be completed in 4 hours or less.
- 19.12 The VSI Board of Directors, by a majority vote, may revoke the sanction or approval for all, or specific, sessions of a meet if it is determined that it was not conducted in accordance with the USA Swimming Rules & Regulations in effect at the time of the meet.
- 19.13 The host club/entity will be notified via email within 10 days of any denial of a sanction or approval request. The denial of a sanction or approval will include the reasons for the denial and instructions for appeal to the Zone Sanction Appeal Panel (ZSAP). Any host club/entity denied a sanction or approval may file an appeal with the Zone Sanction Appeal Panel within 5 days of receiving denial from VSI. A petitioner must file the appeal in writing via email with the two Zone Directors of the Eastern Zone. Documentation to be presented includes:
- A. Meet information (supplied by the petitioner)
 - B. Reason for denial (supplied by VSI)
 - C. Pertinent LSC rules, timelines, process (supplied by VSI)
 - D. Reasons for appeal (supplied by the petitioner)

The Zone Sanction Appeal Panel is authorized to direct VSI to issue a meet sanction or approval in those instances where, in the ZSAP's judgment, the rules and policies have not been properly applied or when the ZSAP believes that competitive opportunities for athletes are being unfairly denied.

The Zone Sanction Appeal Panel's decision is final and there is no further appeal.

- 19.14 For sanctions or approvals granted by VSI to non-VSI clubs/entities host clubs, the conditions of a sanction will be based upon any reciprocal agreement approved by the VSI Board of Directors and the Board of Directors of the LSC for which the host club/entity is a member. Any such agreement may not cover a period of time longer than one year, but it may be extended in one-year or less increments of time upon approval of the VSI Board of Directors and the Board of Directors of the LSC that is party to the agreement. In the absence of such an agreement, VSI sanctioning and approval policies and procedures will apply in their entirety.

31 ANTI-RECRUITING POLICY

Virginia Swimming anti-recruiting policy is intended to provide additional guidelines to VSI members concerning USA Swimming rules as described in Article 304 Code of Conduct. Code of Conduct actions concerning recruiting are found in Article 304.3.17. VSI policy and restricted recruiting activities are described below.

Active recruiting is prohibited and is defined as the solicitation of a USA Swimming registered athlete, affiliated with a member organization, by another USA Swimming Club, with the intent of having said athlete leave his /her existing club to join the soliciting club.

- 31.1 This policy prohibits any USA Swimming registered club, coach or employee from direct contact with an athlete or an athlete's family from another USA Swimming member club in the Virginia LSC.
- 31.2 This policy does not prohibit an athlete or an athlete's parents from initiating contact with coaches, officials or other athletes of another club for the purpose of obtaining information about joining another member club. Once the athlete initiates such contact, the policy will not apply to any contact with an athlete of another member club.
- 31.3 This policy does not restrict USA Swimming registered clubs from conducting advertising, team try-outs or camps for the purpose of recruiting athletes.
- 31.4 This policy is not intended to restrict athletes or parents from discussing aspects of their respective clubs with athletes or parents from other clubs, or incidental contact that may occur with another team's coaches or officials. 33 OFFICIALS: GENERAL GUIDELINES FOR DISCIPLINE AND DE-CERTIFICATION

33.1 CATEGORIES

In order to organize the possible matters and issues that could arise, three categories have been chosen which should cover all matters. The three categories are Professional Qualifications, Professional Misconduct and Code of Conduct.

A. PROFESSIONAL QUALIFICATIONS

This category relates to matters involving deficiencies in the professional qualifications of the official. It relates to the technical aspects of the field of officiating, such as a lack of knowledge of the rules, improper application of the rules, etc. An illustration of this category might be the following:

Official A is a certified Stroke/Turn Official with two years of experience. He never makes a call, even when it is clearly “under his nose.”

PRIMARY RESPONSIBILITY - LSC Officials Chair

It is the responsibility of all officials to observe and evaluate the officials who are working for and with them. All deficiencies should be reported to the meet referee, who may address them at the time of the meet, if the meet referee feels that it would be best at that time. However, should it become apparent the official is deficient in the qualifications to serve in the position the official is certified for, then these deficiencies need to be reported to the LSC Officials Chair.

The Chair is primarily responsible for addressing the situation. It must be kept in mind that at this stage the approach needs to be remedial rather than punitive.

The first step for the Chair is to gather all of the facts. The Chair may conduct the investigation or may assign the role to another trusted official. It is important that all of the facts are discovered and they be documented to the extent they can be.

Additionally, when conducting the investigation, the following shall be determined concerning the official:

- knowledge of the rules,
- application of the rules,
- judgment on deck in applying the rules, and
- professionalism on and off the deck.

After the facts are obtained, the Chair should schedule a meeting with the official and review in depth the performance of the official. The official needs to be given the facts as gathered by the Chair and the full opportunity to state his or her side of the matter and to make a request for help, should the official choose to do so. At this stage, if the Chair believes it is in the best interest of the official, it is appropriate to bring in other members of the Officials Committee or some third person who is a friend of the official to assist in the meeting. In the latter situation, the friend should be an official, because we are addressing professional qualifications. Furthermore, should the Chair believe it is inappropriate for him or her to meet with the official or address the issue, the Chair may assign the matter to another official.

The Chair has the following powers:

- to reassign the official to a lower position, where the official is qualified (i.e., Referee to Stroke and Turn Judge). The Chair should present the official with a

program to be performed within a given time frame, providing the official the opportunity to regain his or her position. Although the program to be presented should be developed by the LSC, it is recommended that it include re-training, observation over a series of sessions and testing.

- to leave the official in his or her current position but establish a re-training program to correct any deficiencies. Again, any program proposed should include observation over a series of sessions and testing. In this situation, the Chair may decide to withhold any future assignments at the certified position until the official completes the program and is signed off by the training official(s).
- if the Chair is confronted with the situation where it is apparent the official does not comprehend and understand the rules and, in the opinion of the Chair, the official will not be able correct the situation, then the Chair has the power to recommend to the Officials Committee that the official be decertified as an official.

SECONDARY RESPONSIBILITY – LSC Officials Committee

At this stage the Officials Committee will enter the picture and make the final decision on de-certification. This step should include a hearing with the official, where the official has full opportunity to make his or her position with the Committee. (See **HEARINGS** below.)

A decision to de-certify the official should only be made as a last resort and on the recommendation of the LSC Official Chair. If there is no recommendation from the Chair then there will be no de-certification.

B. Professional Misconduct

This category relates to matters involving misconduct in the performance of the official's professional duties that do not rise to the level of acts specifically covered by the Code of Conduct (Article 304.3 of the Rules and Regulations of USA Swimming). An illustration of this category might be the following:

Official B is a certified Referee of 4 years. At the last Age Group Championships he was berating fellow officials on deck, in front of the spectators for their slovenly appearance, lack of rule knowledge and their poor attitude. He then proceeded to offer his opinions regarding the LSC Executive Board, and how poorly he felt the business of the LSC was being run.

Duties – LSC Officials Chair

A complaint alleging misconduct on the part of an official needs to be in writing and filed with the LSC Officials Chair. The complaint must set out the facts and the misconduct alleged. It is then the duty of the Chair to conduct an investigation of the allegation and develop all of the facts. The Chair or someone chosen by the Chair may conduct this investigation. In choosing someone to conduct the investigation, the Chair needs to choose someone who is organized, thorough, honest and objective. The person should have no relationship with the situation or the official.

PRIMARY RESPONSIBILITY – LSC Officials Committee

Once the investigation is completed, the entire file is delivered to the Officials Committee. The Committee will then schedule a hearing. (See HEARINGS below.)

The Officials Committee has the following powers:

- to issue a **verbal warning**, however, the warning must be accompanied by conditions to be met to correct the problem and the possible consequences if they are not met (even though it is a verbal warning it should be documented in the notes of the Committee accompanying the hearing),
- to issue a **written reprimand**, but again the reprimand must be accompanied by the conditions to be met and possible consequences if they are not,
- to **reassign** and to establish a **re-training** program, such as is set forth above for the Chair and the decision must be documented in the notes of the hearing,
- to **suspend** the official, however, the suspension should be accompanied by conditions the official must complete during the suspension period, and
- to permanently **de-certify** the official. This should be for the most serious offenses and should be ordered only after all other remedial measures have been exhausted.

If the Official Chair is the investigating person then the Official Chair should not participate in the deliberations of the hearing. The Chair is the “prosecutor” in this role and should not sit as part of the jury. However, if the penalty is to be de-certification, then the Committee should consider this penalty only if the Official Chair has recommended it to the Committee.

C. CODE OF CONDUCT

This category involves all acts that fall under Article 304.3.1 through .19 of the Rules and Regulations of USA Swimming. An illustration might be the following:

Official C is a certified Referee. At a meet last week the official falsely changed the time of the official's son to a better time in order for him to qualify for an upcoming meet.

One of the primary issues the LSC Officials Chair must determine is whether the matter falls within the jurisdiction of the National Board of Review (Article 304.3.1 through .14) or the Zone Board of Review (304.3.15 through .19). All complaints received by the LSC Officials Chair should be delivered to the Executive Director of USA Swimming in Colorado Springs if it is within the jurisdiction of the National Board of Review or the LSC General Chair if it is within the jurisdiction of the LSC.

All complaints would then be processed under the established procedures of the LSC and USA Swimming.

33.2 HEARINGS

The time frame for conducting the hearing should be set by the LSC but should not exceed the time frames set out in the bylaws of the LSC. There should be a provision for an emergency hearing if the facts warrant.

The conduct of the hearing need not be as formal as a hearing before the Zone Board of Review but the proceedings need to be documented with written notes. The official should be given full opportunity to present his or her side of the issue with the approach being primarily remedial unless the facts dictate otherwise.

The vote of the Officials Committee may be by majority, however, if it is by majority, caution should be taken to make sure the quorum requirement for an official meeting of the Committee is such that a majority vote represents a substantial number of the members of the Committee. The final decision should be written and a copy given to the official. It need not be formal document and can be in a letter format.

The official shall have the right to appeal any decision imposing penalties on the official, including suspension or de-certification, to the Zone Board of Review and the opportunity to appeal should be made known to the official. All other decisions should not go beyond the Committee.

33.3 GENERAL

This program is intended to place the professional matters within the jurisdiction of the professionals, the peers of the official. However, if there are decisions made in this process, the official may have the right of appeal pursuant to the Rules and Regulations of USA Swimming and the Bylaws of the LSC.

It is possible that some matters could involve more than one category. If this situation arises, then one should select the category with the highest process, i.e., professional qualification and professional misconduct then process it under the professional misconduct category and if it is professional misconduct and code of conduct then process it under the code of conduct.

49 MEET SAFETY PROCEDURES

The following procedures have been established to ensure safe meet conduct.

Safety is an important factor for our program. Anyone seeing an unsafe condition or activity around the meet venue should intervene or summon available meet and/or facility personnel to immediately stop it. The unsafe conduct should also be reported to the Meet Director and the Meet Referee.

These procedures **SHALL** be followed at all meets. The Referee has the authority to remove a swimmer/coach/club/parent from the meet for failure to comply with these safety procedures.

49.1 GENERAL SAFETY GUIDELINES

- A. The Meet Director and Meet Referee are responsible for venue safety inspection (see Virginia Swimming Safety page for checklist) and resolution of issues prior to the beginning of the meet.

- B. Hazards in locker rooms, on the deck, or in areas used by coaches, swimmers, spectators, or officials shall be removed or clearly marked.
- C. Assignment of Marshals shall be the responsibility of the host club/Meet Director. A minimum of two Marshals, with at least one of each gender, must be present and on duty at all times. These Marshals shall be at least 18 years old. Lifeguards required by colleges and recreation centers may **NOT** be used in place of Marshals. Marshals shall wear distinctive, bright-colored, identifying shirts/vests (preferably, USA Swimming orange Marshal vests) at all times while on duty.
- D. Some areas of the venue may be off limits for the swimmers, parents, and coaches. These areas shall be clearly marked, and such boundaries shall be enforced by the Marshals.
- E. Where feasible the Announcer should announce periodic safety reminders throughout the meet (see Virginia Swimming Safety page for examples).
- F. Running on the deck is not permitted during the meet or during warm-ups.
- G. Horseplay is not permitted anywhere in the venue during the meet or during warm-ups.
- H. Shaving is not permitted anywhere in the venue (including locker rooms). Swimmer noncompliance will result in dismissal from the meet.
- I. **USE** of cameras or camera cell phones is prohibited in locker rooms.
- J. Warm-up procedures shall be enforced for any breaks scheduled during the competition.
- K. A swimmer, coach, or parent may be removed from the deck for interfering with a Marshal in the performance of his/her duties.
- L. Any accident/incident, no matter how seemingly insignificant, that occurs at the meet must be reported to the LSC Safety Chair and to USA Swimming using the USA Swimming Report of Occurrence Online Form (see Virginia Swimming Safety page). The Meet Director/Meet Referee is responsible for completing and submitting the form.

49.2 Practices for Air and Water Quality

- A. Host Facilities must complete the VSI Annual Facility Evaluation Form, to be submitted to the VSI Business Office and archived for the current swim season (September 1 – August 31). The form should be submitted no later than 10 days before the first meet held in the facility during the current swim year.
- B. Host Teams (Meet Director) must complete the VSI Pre-Meet Evaluation Form 1-3 weeks prior to the meet and submit to the VSI Business Office with the meet recon report.

49.3 WARM-UP PROCEDURES (also applicable during all scheduled breaks in the competition)

- A. Warm-ups will not begin until the Marshals are on deck and present for duty.
- B. A Marshal must be present and on duty at any separate warm-up/warm-down area that is designated for use before, during, or after competition.

- C. Warm-up procedures and schedule of warm-up lanes and times for each team shall be posted throughout the venue. The announcer shall announce lane and time assignments, special venue rules, and any change in the procedures directed by the Meet Referee or Meet Director.
- D. Coaches are responsible for the conduct of their swimmers. Coaches shall instruct their swimmers regarding safety guidelines and warm-up procedures as they apply to conduct at meets.
- E. Coaches must be in the immediate vicinity of their swimmers at the start of warm-ups to supervise the entry of their swimmers into the pool. Coaches must maintain line-of-sight control and supervision of their swimmers at all times. Swimmers who are unsupervised will not be allowed to warm up, unless placed under the supervision of a coach by the Meet Referee/Meet Director.
- F. All swimmers must start warm-ups from either the start end or the turn end of the pool. Entry into the pool from the sides is prohibited.
- G. Entry during general warm-ups is feet first only. There will be **NO DIVING OR RACING STARTS** from the blocks or end of the pool during general warm-ups.
- H. Each team may be assigned a lane(s) and a specified time for warm-up. Anytime during this warm-up period, the coach for assigned team may elect to convert the general warm-up lane to a sprint or to a pace lane. Prior to this, one-way swimming must be established with swimmers exiting at the far end of the pool. If there is more than one team sharing a lane, then such conversion to sprint / pace may only occur upon the agreement of all respective coaches covering the teams in this lane.
- I. During the sprint period of warm-ups, a racing start will be permitted only for one-way swimming, where the swimmer exits at the far end of the pool. The sprint lanes must be cleared by the Marshals/Referee before they are opened for use. Swimmers must NOT cut across adjacent lanes to exit the pool at one of the sides.
- J. During the sprint period of warm-ups, backstroke swimmers must be allowed to complete their start and to clear the area before any swimmer steps onto the block.
- K. Use of training equipment, which may include but is not limited to kick boards, pull buoys, paddles, bungee cords, and snorkels, is prohibited during warm-ups. Snorkels may be allowed during warm-ups for sessions that involve only senior-level classified competition.
- L. For facilities with a separate warm-up/warm-down area, there shall be no diving or racing starts in that area unless a lane has been specifically designated for one way racing starts.
- M. To avoid over-crowding of warm-up lanes, the Meet Referee/Meet Director may restrict warm-ups to those swimmers participating in the session immediately following the warm-ups.

UNASSIGNED WARM-UPS

Depending upon the type of meet being conducted, the following warm-up format provides an alternative to specific warm-up times and lane assignments. Other formats that take into account the

total number of swimmers and the available lane time are also acceptable, and may be assigned by the Meet Referee/Meet Director.

Time	Lanes							
	1	2	3	4	5	6	7	8
1 st 25-30 min	General	General	General	General	General	General	General	General
Last 25-30 min	Pace	Sprint	General	General	General	General	Sprint	Pace

If lanes 2 and 7 are overcrowded during the sprint phase of warm-ups, lane 3 and/or lane 6 can also be designated as a sprint lane.

For long course competition in which the 50 M Freestyle is starting from the “turn” end of the pool, lane 2 or lane 7 should be designated for one-way sprints from that end of the pool.

Sprint lanes should be marked as such. All warm-ups will start from the starting end of the pool (except as noted above for the 50 M Freestyle in long course competition).

 - (1) Reassignment of lanes within a heat (eg, exchanging lanes 1 and 4).
 - (2) Allowing the swimmer to have a Personal Assistant(s).

APPENDIX B: CONFLICT-OF-INTEREST STATEMENT

Those who choose to serve Virginia Swimming, whether as volunteers or paid professionals, are held to a high standard of conduct. Those who serve must do so without personal gain in order to avoid any institutional loss or embarrassment and to behave in such a way that the organization's trust and public confidence are enhanced. It is important to avoid any real or perceived conflict of interest.

While no set of guidelines can completely define acceptable behavior, the principles that guide behavior in this area are disclosure, non-participation in the decision making process where personal or family gain is a possibility, and a commitment to honor the confidentiality of organizational information. All conduct is founded on the individual's own sense of integrity. Any individual accepting the honor of serving Virginia Swimming must accept the burdens of public disclosure and public scrutiny.

In our complex society, the mix of volunteer work, business interests, governmental activity, and family relationships often creates potentially conflicting interests. What is required is disclosure of potential conflicting interests when they arise, and strict nonparticipation in any evaluation process relating to the matter in question.

The following seven items reflect specific expectations by VSI of people signing this agreement. These items cannot and do not however completely define what is acceptable. They are intended rather as guidelines to what is acceptable conduct. Each individual must find his or her own way within this guidance.

1. A good faith effort must be exercised by those signing this statement to conduct the business of Virginia Swimming in observance of both the spirit and letter of applicable federal and state laws.
2. Virginia Swimming properties, services, opportunities, authority and influence are not to be used for private benefit.
3. Members of the Virginia Swimming Board of Directors will disclose the nature and extent of an actual or potential conflict of interest when it involves the award of contracts, the purchase of goods and services, the award of contracts for professional services, and the allocation of Virginia Swimming resources for individual use. Reimbursement for reasonable and customary expenses associated with travel to meets, meetings and conferences on behalf of VSI does not constitute a conflict of interest
4. Gifts, cash, travel, hotel accommodations, entertainment, or favors are neither to be given (except with full approval of the Board of Directors) nor received, except those of nominal value exchanged in the normal course of business. Gifts and favors of more than one hundred dollars (\$100.00) value should not ordinarily be accepted. If circumstances render it awkward to refuse such a gift, the donor should be thanked and told the gift is being accepted on behalf of and will be delivered to Virginia Swimming.
5. Expenses incurred in the furtherance of Virginia Swimming business are to be reasonable, necessary and (if twenty-five dollars or more) substantiated.
6. All are expected to exhibit honesty, loyalty, candor and professional competence in their relationships with Virginia Swimming and with each other.
7. Each individual has the responsibility to maintain the confidentiality of the organization. This includes both proprietary and sensitive information.

Should any individual(s) reasonably perceive that a conflict of interest exists or could exist, the situation shall be fully disclosed.

ACKNOWLEDGEMENT OF RECEIPT AND UNDERSTANDING

I acknowledge receipt and understanding of Virginia Swimming's Statement of Principles on Ethical Behavior and Conflict of Interest, and I pledge my full support of the spirit and the letter of the requirements contained therein.
