Consent, Release & Waiver

This document is intended to provide consent, release and waiver, as a parent or adult member of 757swim on behalf of your swimmer(s) to 757swim's instruction and motivation techniques, and for the use of the picture, video or likeness for the purposes described below. 757swim coaches use various instruction techniques to provide exceptional coaching and development of our swimmer athletes. Coaches may engage the swimmers with hands-on instruction in the water or on deck so that swimmers get the correct feel for a proper stroke. Similarly, coaches may use photographs and video (above or below water) as a training tool for correcting swimmer technique. Coach interaction with swimmers occurs in an open and observable environment, and is intended to comply both with USA Swimming Safe Sport Guidelines. Training videos and photographs are not used for any other purpose without the express consent of the swimmer and parents.

In addition, 757swim often takes photographs or videos of our athletes and parents at 757swim events and meets for use in its internet website, social media sites, promotional material, presentations and programs to accentuate the positive impact 757swim has on its members and to aid in the recruitment of new members. We do not permit images to be "tagged" to identify individuals on public sites. Members and guests, however, are not permitted to take photographs or videos of any of the swimmer athletes during any 757swim training session for the protection of the other swimmers.

THEREFORE, we grant permission to 757swim and its coaches to use various hands-on instruction techniques described above in an open and observable environment, consistent with USA Swimming Safe Sport Guidelines, and to use video and photography as part of the training process. In addition, we grant permission to use our swimmer athlete's name, picture, video image, or likeness in any form, in any media and for any non-commercial purpose. We hereby waive and release on behalf of our own behalf and on behalf of our swimmer athletes any and all claims, suits, causes of action of any sort or type that might accrue to any one of us against 757swim, its coaches, employees, officers and directors in connection with the actions and usage detailed above.
