

On the Dry Side: News from the Secretary's Desk December 2023

Greetings, 757swim!

Happy holidays to everyone. I am sure you are looking forward to some down time with family as much as I am!

Team hotel information for spring and summer meets is constantly being updated on our [website](#). Be sure to book early for upcoming meets!

Our last regular season home meet is Splash and Dash, January 12-14. Now is a great time to check your family's volunteer hours and plan to set aside time on that weekend if you are still in need of hours to make your commitment.

December's value is Passion. We had incredible swims at the Grand Illumination Invitational, new team records, age group cuts, and many swimmers in finals. What stood out to me, however, was the team work among our volunteers at a very packed meet! Thank you to all of those who volunteered. We had countless parents and swimmers demonstrate passion, going above and beyond their obligations, and we are so grateful.

All in.

“One plus one equals three. Everything you can do alone is not going to be as great as what you can do with somebody else next to you.” - Erin Matson, Head Coach UNC Field Hockey, who at 23 years-old became the youngest NCAA coach to win a national championship.

-Evie Burnet, Secretary
