

On the Dry Side: News from the Secretary's Desk March 2024

Greetings, 757swim!

Team hotel information for spring and summer meets is constantly being updated on our [website](#). Be sure to book early for upcoming long course meets!

Meet reports for Winter Champs meets are now [available](#). Thank you to Meredith White for her time compiling these!

March's value is Growth. While riding to Age Groups, I had time to think about my child's growth. The toddler I took to the pool most days after work, and tried to entertain in the water while she screamed (several lifeguards still recall this), somehow made it this far. How did she get here? There were swim instructors along the way (Rachael and Lindsay were her first) and coaches who showed tremendous patience. Then there are all the volunteers who help make meets possible so our swimmers can show up and swim. Thank you to them...Jeff Carstarphen, David Fly, and Michael Bermudez for volunteering as refs this weekend. It takes a team. *Growth is a journey.*
