17. I understand an athlete can be moved to another team at any time.
18. I understand that crossovers may be asked to do only 1 of the 2 teams if room needs to be made for another athlete due injury, demotion, promotion or new registration.
19. I acknowledge that should my enrollment terminate for any reason after choreography, I will be charged a \$250 re-choreography fee as well as tuition for the remainder of the season.
20. I am aware that my child should only stunt and tumble under direct supervision of a staff member.
21. The coach or instructor may choose to have a closed practice at any time as this technique helps to relieve outside distraction for the benefit of the team.
22. I understand that it is beneficial for the team to match their clothing at practice and may be asked to do so at any time. I am expected to keep up with my practice wear and purchase it again if it is lost. (this includes bows)

When an athlete is sent home, a meeting will be held with the coach, athlete and parent to determine eligibility for continued participation at CEA Richmond.
27. CEA Richmond promotes scholastic and academic success; however, homework, projects, field trips, other extracurricular activities, plays at school (unless for a grade), jobs, etc. are unexcused absences. On the nights before an assignment is due, athletes still must be at practice and will not be excused to leave early. Practice is only a few hours per week so please plan accordingly and utilize time management skills.
28. I understand that cheerleading is a team sport and that a practice cannot be taken away from the athlete for bad grades, bad behavior at home/school, etc. Please find a punishment that does not also punish the coaches and teammates, or this action may be grounds for dismissal from the team. Our policy is to promote responsibility, academics, teamwork, time management, and commitment in order to ensure every team member can benefit the most from our program.
29. **INJURY:** We are sensitive to the needs of our athletes and safety is our top priority for the team. If it is necessary to "sit-out" of practice, a doctor's note is **REQUIRED.** A "plan of action" is required from the doctor and a meeting will be held with the parents and athlete if additional practices must be missed. ALL injured athletes are required to attend all practices, competitions, and exhibitions dressed in practice or competition uniform. In order to hold their spot on the team, they must continue to pay tuition and fees. If it is not possible once they return to do the skills required on the roster that exists, we will make a spot for them on an appropriate team.
30. **SKILL LOSS:** If an athlete is unable to perform the necessary skills for her/his assigned team, CEA Richmond management and coaching staff may elect to change her/his squad assignment to better fit the skills of the athlete and ensure team competitiveness. For example: an athlete is assigned to a Level 3 team and is expected to execute her/his ROBHS Tuck. For whatever reason, the athlete stops performing the skill, it may be in the best interest of the team and athlete to adjust her squad assignment; Regardless, of the skill other teammates have as each skill set is unique and so is the need to make certain ranges on the score sheet.
31. **SKILL PROGRESSION:** If an athlete is performing the skills required for a higher level team, CEA Richmond management and coaching staff may elect to adjust their squad assignment. One or all factors will be taken into consideration: available positions, consistency and execution of tumble skills, consistency of position performance, etc.
32. I understand that when we travel, to camps, unity weekends or competition, our priority is to be with our team and perform to the best of our ability. Site seeing, theme parks, visiting family, shopping, etc. must not interfere. **YOU MUST ADHERE TO ALL CURFEWS AND ATHLETES ARE EXPECTED TO BEHAVE.** Please discuss this with your athlete before traveling.
33. I understand that I am responsible for cheering for other CEA teams while at competition. There will ALWAYS be a block of teams that my child and I are responsible to cheer for.
