Dear Valued Supporter,

The Winchester Swim Team (WST) is a 501 (c)3 non-profit youth sports organization. This past year we celebrated 55 years as a successful local youth program in the greater Winchester community. We have grown into a thriving USA Swimming sanctioned competitive swim team with more than 100 swimmers. Our swimmers train 2 to 6 days a week and compete year round. This commitment speaks volumes of the dedication from the swimmers, parents and volunteers who make up WST. Our swimmers travel to Richmond, Stafford, Christiansburg, Lynchburg, and several other regional facilities for three-day long competitions and we have been fortunate enough to even send swimmers to compete at the national level.

Once a year our swimmers get the chance to showcase their talent right here in our hometown. We host our annual WST Long Course Invitational Meet. As you can imagine this is an exciting event. It is also our team's largest fundraiser that helps support our annual programming for our swimmers. Our Long Course Invitational is the only event that brings other USA Swimming sanctioned teams to the Winchester area. This year's meet will be held June 14th - 16th. We will host over 600 swimmers, coaches, officials and their families over these days. It takes a community effort to host the meet and we would greatly appreciate your support of our team's effort to continue the tradition of providing high quality swim training to youth in our community. We would greatly appreciate your consideration of the attached information regarding ways to help sponsor our Invitational Long Course Meet.

On behalf of the WST family, thank you for your consideration and support.

Sincerely,

Paul Warnagiris

Winchester Swim Team President
