

## **PARENT CODE OF CONDUCT**

Hanover Aquatics, Inc. has a Code of Conduct for our families to help facilitate a nurturing environment for our swimmers and supportive environment for our coaching staff. As parents, it is absolutely essential to give our coaching staff the respect and authority they deserve to run their groups. By working together in a partnership with them, our club can successfully help your swimmer achieve their full potential.

### **PARENT CODE of CONDUCT:**

- Set the right example for our children by showing respect and common courtesies at all times to the team members, coaches, competitors, officials, parents, and for all facilities and other property used during practice or competition.
- Respect the integrity of swim officials by assuming decisions are based on honest, objective evaluations of performance. Only coaches may approach meet officials for clarification of rulings.
- Understand that opposing teams, including their swimmers, coaches, and fans, want the same positive experiences for their swimmers as we do. Help The Hanover Hurricanes achieve our goals by avoiding criticism either verbally or by gesture. Look for opportunities to build rapport with teams that we compete and work with.
- Demonstrate good sportsmanship during all practices, competitions including relays and team activities. Promote good sportsmanship by setting an example and by helping others to do likewise.
- Realize that swimmers become easily confused when coached by parents and benefit most from positive reinforcement of the professional coaching staff's instructions and advice. Your unconditional love and support before and after races will help them best.
- Recognize that our coaches are professionals and allow them to coach your child without interference during workouts and meets.
- Support your professional coaches as they strive to do what is best for each swimmer.
- Communicate concerns you may have with your swimmer's lead coach or the Head Coach during appropriate times
- Maintain open and honest communication among all members of the Hurricane family. We reach our common goals by working together.
- Insist that your child refrain from using alcohol, tobacco, electronic cigarette, drugs, other prohibited substances, violence, abusive or foul language, inappropriate sexual conduct, or any other behavior deemed dishonest, discourteous, offensive, or disrespectful of others. This is a violation of the USA Swimming Code of Conduct and can lead to dismissal from the Club and USA/swimming.

## **BASIC RESPONSIBILITIES: What to do help your swimmer reach their potential**

- Practice teamwork with all parents, swimmers, and coaches by supporting the values of Discipline, Loyalty, Commitment, and Hard Work. Represent The Hanover Hurricanes with excellence, respect, team spirit, good sportsmanship, and politeness. Maintain self-control at all times. Refrain from inappropriate behavior that detracts from a positive image of the team or is detrimental to our performance objectives.
- Assist the coaches in conducting effective practices by ensuring swimmers arrive and leave on time. Strive to build confidence in your swimmer. Support our philosophy of creating independent swimmers in order to develop athletes who possess a strong sense of confidence, self-belief, resilience and self-reliance. Encourage swimmers to carry their equipment, pack their bags, and take responsibility of their sport.
- Arrive at meets in time for volunteer or swimmer check in, stretching and warm-ups. Share the burden among parents by volunteering to help at meets.
- Know your role. Swimmers – Swim / Coaches – Coach / Officials – Officiate / Parents - Parent. Do not coach your child at practice, during meets, or outside the pool. Help your children learn values and positive character traits that will sustain them throughout their lives. When it comes to loving and supporting your child – particularly in public – winning and losing make no difference.
- Assist the coaches by not talking with or motioning to swimmers during practices unless clearing it with a coach first.
- Do not compare your swimmer to others in the pool, other teams, or siblings. Every swimmer is different and develops differently and independently from one another. Our coaches design and develop their program structures with a lot of thought, research, and experience behind it. Our mission as a club is focused on your swimmer's long-term development and building them into well rounded athletes.
- Do not interrupt or confront the coaching staff on the pool deck during practice or meets.
- Trust and support your swimmer's and coach's decisions around goal setting, training commitments, swim event entries, and meet schedules. Do not impose your ambitions on your child and do not expect a best time or best times at every meet.
- Get involved....be an official, help time, plan a group social. Find something you enjoy.
- Uphold and adhere to the mission, vision and values of Hanover Aquatics, Inc.
