

Age Group Bronze LC Kick Off Meet Summary

The first long course meet can always be a little tricky, not only because the pool can look so long and intimidating, but there were other factors the swimmers had to handle. We had odd and even heats, 50's from one end, chase starts, fewer walls and adjusted flags to contend with, which can lead to some nerves. The group seemed well prepared and put up some very impressive performances with NO MISSED EVENTS!!!! Here are the details:

49 total AGB swimmers

219 total swims
