

POSEIDON SWIMMING

Locker Room Policy

Locker room access

We share a locker room with members of the SRC and AFC facilities, so our athletes do not have exclusive use. Because of this, we have set up the following rules for our athletes:

1. Encourage athletes to change at home, and only use the locker rooms when necessary.
2. We encourage athletes to only use the private restrooms at the SRC facility.
3. Go in and use the restroom or change as quickly as possible. No loitering in the locker room.
4. Use of Cellphone or other devices with a camera is strictly prohibited.
5. Report any suspicious behavior to a coach immediately.
6. Coaches use the adult locker rooms in the fitness center at the AFC facility, allowing separation of athletes and staff.
7. Coaches do not use the locker rooms at the SRC facility.

Locker Room Monitoring

1. Multi age locker rooms are quite visible at the AFC facility, right off the pool deck so coaches are able to monitor who goes in
2. No second entrance to the locker room, so it is easy to monitor who goes in and out
3. Front desk is directly in front of the locker rooms at the AFC facility, and they also monitor who goes in and out.
4. Athletes must tell a coach if using the restroom at both the AFC and SRC facilities so that it can be monitored.

Response to misconduct

1. Create a safe environment, supporting open communication between coaches and athletes. Athletes are encouraged to assist with monitoring behavior and feeling comfortable reporting any misconduct to coaches
2. We document any and all incidents of misconduct and inform parents of any violations
