### TYPES OF PURCHASES

#### **+ Traditional Gift Cards**

Use to pay for groceries, gasoline, home projects, hotels, restaurants and much more. Or give them as gifts for holidays and birthdays.

#### **+ E-gift cards**

These are the same as the traditional gift cards but can be stored in your wallet at [shopwithscrip.com](http://shopwithscrip.com) and can be printed or scanned from your phone when you want to use them.

#### **+ Reload**

This is an easy way to reuse the cards you have already purchased by adding money to its value.

### WHEN DO YOU RECEIVE YOUR ORDER?

I will email you when I receive the order and indicate times I will be available to distribute. I CANNOT leave scrip orders in the team box and CANNOT give to anyone under the age of 16. A signature is required to release your order to be sure your order is correct. Because we are a non-profit, a shipping charge is split among all families ordering traditional gift cards each month. The charges range from \$8.50 to \$16.00. The fee can be minimal depending on the number of families ordering.

### HOW TO PAY

#### **+ Presto Pay**

The online way to pay. Payment is securely transferred from your bank account to GLSC via electronic debit. To enroll, log into your [shopwithscrip](http://shopwithscrip.com) account, click on Payment Types under Family Functions on your dashboard.

There is a 15 cent charge per order for those using presto pay.

#### **+ Check Payment**

Checks must be made payable to STAT with "Scrip Order" written in the memo line. Check payments MUST be placed in the SCRIP folder at the pool before 7:30 pm on the order due date.

#### **+ Credit Card (NEW)**

You have the option to register a credit card for payment ... this is a new option this year. There is a 2.6% charge of your order total for this type of payment.
