Our first mini meet of the 2024-2025 season will be held Friday, October 25th at 5:30pm. We need all parents on deck to make our home meets possible. This will be a fast and fun event for swimmers to start the season with. Please watch your email for more information and volunteer opportunities.

We are in need of more Stroke & Turn and Administrative Officials. If you are interested in learning more about competition rules and officiating at meets, please reach out!

PARENT MEETING

September 19 - 5:30 pm

PARENT MEETING | SEPTEMBER 19

Our annual parent meeting will be held on Thursday, September 19th at 5:30pm. This meeting is mandatory and we need one parent from each household to attend. We will go through the new handbook and updates for the season.

The kids will join us for a pizza party afterwards.

COACH JASON'S CORNER

I have two reminders to start off the new season right:

- 1) Water bottles and snacks in your swimmer's bag are important! This will help make sure they have to energy to swim even if they forget to eat lunch!
- 2) Personal items left out on the pool deck during practice are not closely monitored, and we share the space with other groups and individuals. If you have small valuable items, like phones, watches, etc., they should be sealed in swim bags and not visible to anyone passing by.
