

DFAC Annual Sponsorship

DFAC swimming is a parent-run, nonprofit organization that has served hundreds of area swimmers for over 30 years. As a club governed by USA Swimming, it is our mission to help area youth develop swimming skills and inspire and nurture everyone so that they can reach their maximum potential. YOU CAN HELP by becoming a sponsor. Funds raised through our sponsorship program will help cover club expenses, meet hosting expenses, facility fees, coaching cost and education, training, and expenses incurred to attend out of town meets. Without the continued support of our local area businesses and families, our program would not be possible.

Please consider supporting DFAC through sponsorship for us to continue to provide an affordable opportunity for many of our youth. Monetary donations and/or product donations are needed. For product donations, the category of sponsorship will be recognized based on the closest to the estimated amount of the donation.

All donations are tax-deductible. DFAC is a qualified 501©3 non-profit registered with the state of Wisconsin.

We accept cash, check and Venmo.
