

# Fox Valley Wave Registration Fees - Spring / Summer 2014

Updated: 3/5/14

## Guidelines:

- As such, all WAVE swim team members are expected to pay the full season registration fee for each season
- The Parent Board will accept requests to pro-rate fees if a swimmer is participating in another sanctioned school sport that prevents them from starting with the Fox Valley Wave at the start of the swim season. Fees will be prorated for no more than 1/3 of the full season rate. Requests to pro-rate fees must be made in writing and can be submitted via the team website or e-mail.
- Returning college swimmers that are unavailable to start with team by May 26th should contact the Parent Board to confirm fee
