Reminders:

VOLUNTEER REQUIREMENTS

The Wave thrives due to the combined efforts of our coaches and parent volunteers to deliver on our team mission. It is essential that each family volunteers their time before and during home meets. Each family is expected to volunteer for a minimum of **two time slots** our home swim meet to be held on **Friday, May 6th and Saturday, May 7th**.

If you know you are unable to volunteer at the meet, opportunities to serve on the meet planning committee are available by reaching out to angieborchardt@hotmail.com. A board member must verify your hours. If you cannot or will not volunteer, **you will be charged a \$200 fee**, invoiced to your account following the last meet volunteer opportunity.

You will find additional clarification regarding these requirements as part of the registration process. Please take the time to read this section carefully, so you fully understand what the requirements are.

FUNDRAISING FEE

Fees and money raised from our meets do not cover all our budgetary requirements. For this reason, we require all swimmers to pay a fundraising fee. Our fundraising requirement for Spring Season will be **\$25 per swimmer**. This fee is billed to each swimmer's account on **May 1, 2022**. Participating in the Scrip and/or HuTerra programs are ways to help offset the fundraising fee.

Social Coordinator(s) Needed

We are looking for an individual or a few individuals to plan an **End of Summer Pool Party** to celebrate the team and Coach Curt's retirement. If you like to plan social events and are looking to get more involved with the Wave, please reach out to angieborchardt@hotmail.com for more information!
